SAFETY INFORMATION TERMS: The following terms are used to identify hazards, safety precaution of special notations and have standard meanings throughout this manual. They are printed in all capital letters using a bold type face as shown below, and preceded by the exclamation mark symbol. When you see the safety alert symbol and one of the safety information terms as shown below, be aware of the hazard potential.

DANGER:

Identifies the most serious hazards which will result in severe personal injury or death.

WARNING:

Signifies a hazard that could result in personal injury or death.

CAUTION:

Identifies unsafe practices which would result in minor personal injury or product and property damage.

2). **Install Support Bars:**

Place the support bars in the mounting brackets notches (Figure 4). Bars should be level with ends positioned in notches of the same heights (Figure 5) to vary cooking time and temperature, raise or lower the support bars in the bracket notches.

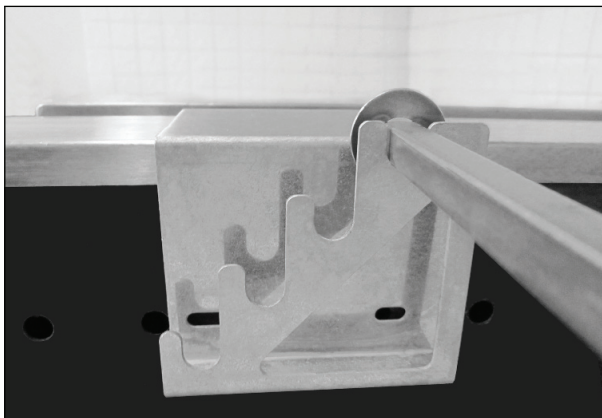

Figure 4

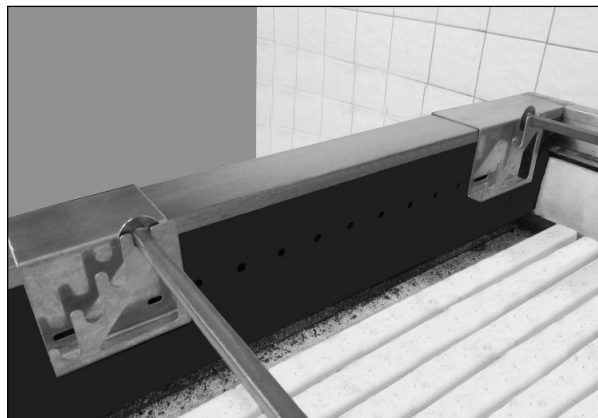

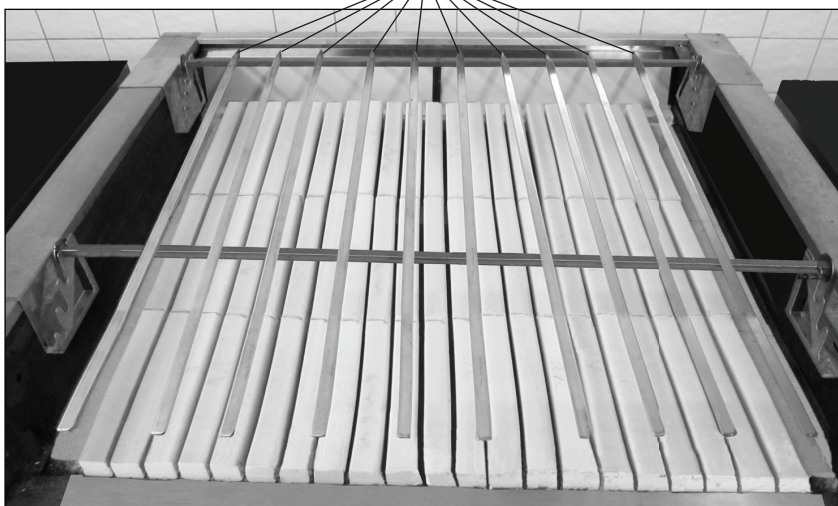

Figure 5

3). **Place Skewers on support bars:**

Cuts of meat, vegetables, etc. are mounted on the stainless steel skewers and placed on the support bars (Figure 6).

Figure 6

Skewer Placement on Support Bars

Seafood Veggie Grate Placement on Support Bars

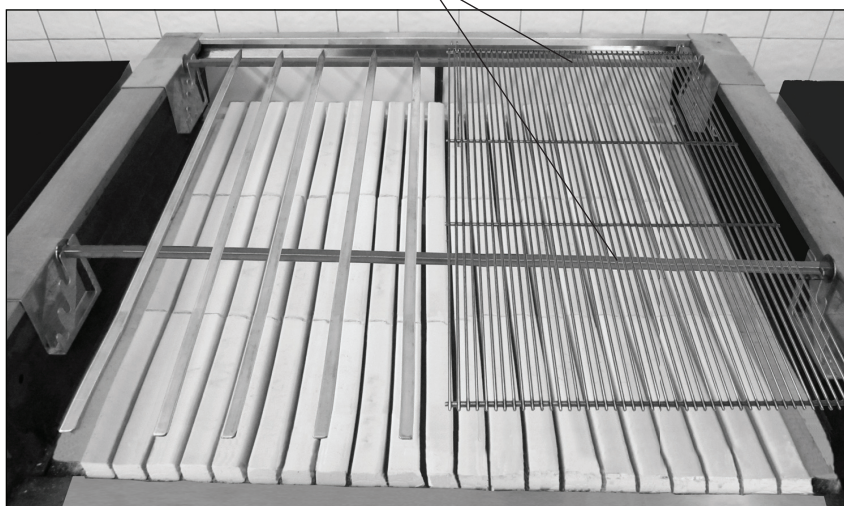

Figure 7

In addition to the use of shish kabob skewers, the EmberGlo® stainless steel Seafood Veggie Grate can be placed on the support bars to provide open hearth grilling on 1/2 of the broiler hearth area.

Use FG-2 Seafood Veggie Grate on Model 31 and FG-3 Seafood Veggie Grate on Model 41 broilers (Figure 7). Note: the FG-1 Seafood Veggie Grate for the Model 25 will cover the entire hearth area.
