EmberGlo®

Gas Char-Broiler Work Ledge Options

EmberGlo offers Optional Work Ledges for Gas Char-Broilers

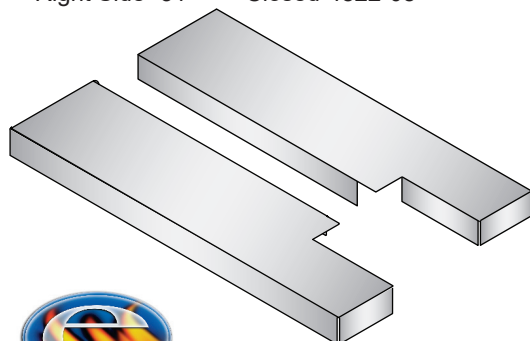

Increase efficiency; keep easy to reach items close by when you install a front or side work ledge on your existing EmberGlo Char-Broiler or when you purchase along with your new gas char-broiler. A number of configurations are available for all broiler models. (See the reverse side.) The sturdy stainless steel construction will give you years of carefree use. For a custom design to fit your needs perfectly call the factory for a consultation.

Work Ledges - Sides

(Only available for the closed front Model 31 broilers)

The two sides were designed to be used with a front mounting shelf work ledge for a closed front 31 broiler, only (no Dropped style work ledges) Call the factory
