

Egg Poacher Tray Removal Instructions for Food Steamers

CAUTION: Read and understand this service bulletin thoroughly before starting. Only a trained, experienced service technician should attempt this service procedure.

- The EmberGlo Egg Poacher Tray was designed to be lifted in and out of the bottom of the steamer food pan with a simple household fork. Insert a fork into any one of the slots on the top of the tray and lift up. There is no need for any special rack as the tray can be placed on the bottom of the steamer food pan with the a fork inserted into one of the slots.
- See Figures 1 and 2 for fork placement.
