HW3-146	#10 Split Lock Washer	2

CAUTION: BEFORE ATTEMPTING SERVICE, SHUT OFF ALL POWER TO THE STEAMER AND ALLOW THE STEAMER TO COOL. PUT ON SAFETY GLASSES.

INSTRUCTIONS

- Ensure all parts of the kit have been received.
Lid can remain on steamer to replace handle.
- If older style handle ("D" shaped cross section), then slide out the vinyl-clad cover to expose the mounting screws.
If newer style handle, then remove existing plugs with a small screwdriver.
- Unscrew existing handle's screws with a Phillips screwdriver. These screws on older lids are screwed into weld-nuts welded to the inside of the lid. If the screws do not come out, the weld nuts may have broken loose. In this case, the whole lid should be replaced.
Order 1420-80R for 1500W units or 1420-81R for 1800W units. Discard old handle, spacers, plugs, and hardware.
- Attach the new handle to the lid with the new screws and spacers supplied as shown in Figure 1.
- Snap in the new plugs to the new handle.

Figure 1 - Installing New Handle

AVOID ERROR IN PARTS SELECTION. When ordering use complete EmberGlo Part Number and Description. Furnish the Product Model Number, Bill of Material Number and Serial Number (if available) from the specification plate found on the product.

IMPORTANT: Availability of parts as well as specifications are subject to change without notice. Please consult factory for item availability.

SAFETY INFORMATION TERMS: The following terms are used to identify hazards, safety precaution of special notations and have standard meanings throughout this manual. They are printed in all capital letters using a bold type face as shown below, and preceded by the exclamation mark symbol. When you see the safety alert symbol and one of the safety information terms as shown below, be aware of the hazard potential.

- DANGER:** Identifies the most serious hazards which will result in severe personal injury or death.
- WARNING:** Signifies a hazard that could result in personal injury or death.
- CAUTION:** Identifies unsafe practices which would result in minor personal injury or product and property damage.
